City of Detroit, Michigan Bankruptcy

Case Number 14-53846

Basis of Claim I have not been adequately represented by legal counsel

Henry J. Gesing

Several days before Gov. Snyder and Andy Dillon was to be disposed by AFSCNE union bankruptcy attorneys, I sent Robert Davis (AFSCME officer) a fax dated Oct.9.2013. It was relative to what I believe is a conspiracy to suppress information contained in numerous USPS certified returned receipt mail delivery's for the evaluation of Detroit's financial crisis by the financial advisory board, state officials, business community, residents and nonresident workers and all others that are within the Detroit city limits for any reason. See attached Fax:

I then went to the Retired Detroit Police and Firefighters association office and advised Vice President Gregory Trozak of my believing there was a conspiracy to suppress information regarding the bankruptcy and that my letters helped, at the time, to secure \$ @ \$ 700,000.00 in financial aid for the city of Detroit. Mr. Trozak took my name and telephone # to set up an appointment to include President Donald Taylor.

I also offered to assist the association in whatever I could do to assist the retirees as I am an (ex) USA Small Business Consultant (3 year SCORE member)

I also called three attorneys named in the papers as being representatives of Detroit's city workers or retirees. I called their listed office telephone numbers. Two calls were routed to their voice mail and one was routed to a page where I was required to type in my message. I identified myself as a retired firefighter and told them I was certain I had proof that information was being withheld from the emergency manager, Governor and the Detroit's financial advisory board

I also believe that the letters I generated helped precipitate the Billion dollar contributions that have been committed to the City of Detroit in the last 18 to 24 months by the federal, state and numerous other contributors.

As of this date, I have not received any correspondence or telephone inquiries.

Comments

Labor union attorneys deposing Gov. Snyder and Treasurer Dillon should talk to me first. Regarding: Conspiracy to suppress information, interference of USPS certified return receipt mail delivery and the Emergency Manager. I am the one who planted the idea for Detroit to receive the \$ 350,000,000.00 of pledged federal, state and business contributions.
